Li-ving wa-ters, flow on, sweep a-way my pain. Bring your hea-ling to my

10 heart, Help me love once a - gain.

Cares and wor-ries get me down, Fear of fail-ure fills my day.  
Peo-ple knock-ing at my door, Stran-gers seek-ing love and care.  
Chil-dren come in-to my life, with their laugh-ter and their song.

When I'm lost and all a - lone, Help me, Lord, to find your way.  
Ne-ver let me turn them down, Show me gent-ly how to care.  
When will I be-come like them Teach me, Lord, to sing a - long.
