Verse 1

Doh ask me, this year how de band coming
 If yuh must know, we ent joking
 For this year we will be smoking
 Like a "A Train" that heading non-stop direct to Manhattan
 Anyone that cross my terrain is straight to the promised land
 Go be mas in town, when de band come down
 For we are not messing around
 Go and tell de masses, this year we coming strong.

Chorus

Ready, how we coming
 Deadly, how we coming
 Lethal, how we coming
 Fatal, how we coming
 We eh coming to make up numbers only, Oh! No!
 We coming to mash up de city fine, fine, fuh so
 Like a raging tiger
 Or a toxic viper
 We come out to set de town a-blaze with fire.

Verse 2

We bringing, cutting music that phonic
 Fast and furious, almost sonic
 Some will say like it demonic
 Like the earthquake that ravage Haiti we come out to destroy
 Seek your refuge on higher ground from the approach we employ
 Like de tsunami, from the undersea
 With waves so high that you can't see
 This ent no rachify, this year we not easy.

Chorus

Verse 3

Now you know, get ready for the action
 Designed for your satisfaction
 We will be the main attraction
 Like a jet plane that flying thru' the sky leaving a smoke trail
 Faster than the sound it makes you'll be mesmerised without fail
 Like a crescendo, to great heights you know
 That is bound to set you aglow
 A musical journey, we will all undergo.

Chorus
