

All I want

Paroles: Jehro / Jake Bailey / Philippine Leroy Beaulieu
Musique: Jehro

C#m **F#m**
Oh she is watching me
 G#
And her eyes they flow
 C#m
With fond and tender pain
C#m **F#m**
I know fate laid out a road
 G#
We have walked alone
 C#m
(And) yet we meet again

C#m **F#m**
Now I know finally
 G#
I've never been alone
 C#m
I just couldn't see
 C#m
That like
 F#m
The swirling of the sea
 G#
Lies a mistery
 C#m
That brings me back to you

C#m **F#m**
Oh we put round our world
 G#
Chains that we denied
 C#m
Yes we dreamed that we
 C#m
Were free
 F#m
And this was our downfall
 G#
With no place to go
 C#m
We drift eternally
