Words and Music by John Willison

I hear in the distance the sound of your footsteps
E5 **B**
See all around me the signs of your hand
F#m **E/G#**
Feel my heart tremble--I see you approaching
A **E/G#** **F#m** **B**
I know deep inside you are not just a man

E **BAB**
You have come
C#mBAE/G#
You are here
F#m **E/G#**
I fall to my knees as the
A **B** **E5**
Captain of Heaven appears

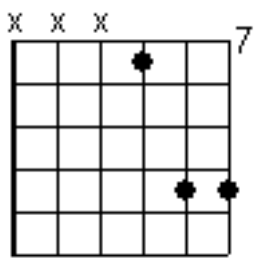

D5
I hear in your voice the sound of authority
E5 **B**
See in your hand the sword of your word
F#m **E/G#**
Feel my heart quicken--my questions are silenced
A **E/G#** **F#m** **B**
I know deep inside I must only obey

A **E/G#**
The first time you invaded my soul
A **E/G#**
I wondered, are you a friend or a foe?
E **B** **A** **B**
But I see you now
