Additional lyrics

2. And on the day the wall came down
The ship of fools had finally run aground.
Promises lit up the night like paper doves in flight.
3. Now life devalues day by day
As friends and neighbors turn away,
And there's a change that even with regret cannot be undone.
4. Now frontiers shift like desert sands,
While nations wash their bloodied hands
Of loyalty, of history, in shades of grey.
