D.S. al Fine

I walked into your dream
 And now I've forgotten
 How to dream my own dream
 You are the clever one aren't you
 Brides in veils for you
 We told you all of our secrets
 All but one so don't you even try
 The phone has been disconnected
 Dripping with blood and with time
 And with your advice
 Poison me against the moon

Mother the car is here
 Somebody leave the light on
 Black chariot for the redhead
 Dancing dancing girl
 He's gonna change my name
 Maybe you'll leave the light on
 Just in just in case I like the dancing
 I can remember where I come from
