Uriah Heep

Am Am

She came to me one morning one  
lonely Sunday morning her long hair flowing in the  
mid winter wind I know not how she found me for in  
darkness I was walking and destruction lay around me from  
fight I could not win She asked me name my foe then I  
said the need within so men to fight and kill their brothers without  
thought of man or GOD And I begged her give me horses to  
trample down my enemies So eager was my passion to be  
your this way of life
