*Verse 2:*  
 Circus life  
 Under the big top world;  
 We all need the clowns  
 To make us smile.  
 Through space and time  
 Always another show,  
 Wondering where I am;  
 Lost without you.

And being apart ain't easy  
 On this love affair;  
 Two strangers learn to fall  
 In love again.  
 I get the joy  
 Of rediscovering you.  
 Oh girl, you stand by me.  
 I'm forever yours, faithfully.
