Dsus2

*mf*

*With pedal*

With - out you, the  
out you, the  
out you, the

Dsus2

D

Dsus2

ground thaws, the rain falls,  
breeze warms, the the girl smiles,  
hand gropes, the ear hears,

D

Dsus2

D

the grass grows. With -  
the cloud moves. With -  
the pulse beats. With -

**F#m** **Gsus2** **Dsus2**

ea - gles fly with - out you.  
 ba - bies cry with - out you.  
 tears dry with - out you.

**D** **Bm7** **Gsus2** **To Coda** ⊕

The earth turns, the  
 The moon glows, the  
 Life goes on, but

**Bm7** **Gsus2** **F#m** **Gsus2**

sun burns, but I die  
 riv er flows,

**Dsus2** **1 D**

with - out you.

Dsus2                      D                      2                      D                      B $\flat$  sus2/D

With - —                      The world re

Dsus2                      B $\flat$  sus2/D                      Dsus2                      B $\flat$  sus2/D

vives, ———                      col - ors — re - new, ———                      but I — know

A/C#                      Am/C                      G/B                      Gm/B $\flat$

blue,                      on - ly                      blue,                      lone - ly

D/A                      Gm/B $\flat$                       Asus                      A

blue, ———                      with-in — me                      blue ———
