*Verse 2:*  
Well, this old world keeps changin'  
And the world stays the same  
For all who came before.  
And it goes hand in hand,  
Only you and I can undo  
All that we became.  
That makes us so much more

Than a woman and a man.  
And after everything that comes and goes around  
Has only passed us by,  
Here alone in our dreams,  
I know there's a lonely heart in every lost and found.  
But forever you and I will be the ones  
Who found out what forever means.  
(To Chorus:)
